

Early Transportation is a service offered by CMH on the last day of a trip creating the potential opportunity* for guests to connect with flights that depart earlier than the Lodge's regularly scheduled transportation would allow for. CMH supplies a vehicle to complete these transfers; vehicle size is determined by the number of passengers booked on Early Transportation. A per-person rate is charged to the guest for this service.

COST PER PERSON: AD, CA, GL, MO: \$350 CAD + taxes; RE: \$100 CAD + taxes

*CMH will monitor and assist with transfers as required. As with all CMH transfers, guests booked on Early Transportation travel at their own risk with regard to delays and closures that are beyond CMH's control, including weather delays, road closures, vehicle incidents, force majeure, and beyond. Once the transfer is complete, guests assume the cost of travel to continue their journey home, including additional accommodation nights, potential flight changes, etc.

NOTE: Early season scheduling for Lodge departures is subject to change based on available daylight.
